Blessing of Candles

Feb. 2 is known in the United States as Groundhog’s Day. This “holiday” might be interesting to many and even celebrated by some, but this date has much greater significance in our liturgical calendar. It’s the 40th day after Christmas.

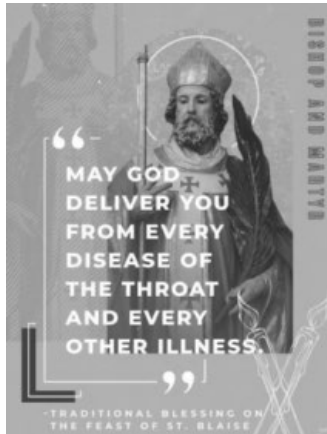

In accord with the Law of Moses, Mary went to the temple in Jerusalem for the purification ceremony and to present baby Jesus to the Lord. Simeon, a devout Jew, was moved by the Holy Spirit to approach the Holy Family. He took Jesus into his arms and thanked God for seeing the “light” of salvation with his own eyes (Luke 2:22-40).

For centuries the Church celebrated this event by blessing and “light”-ing candles. As Dec. 25 became known as Christmas (Christ-Mass), so Feb. 2nd became known as Candlemas (Candle-Mass).

We will have a procession with lighted candles at the 7:30 AM Mass. Anyone who wants a blessed candle is welcome to bring their candle(s) to church and place it on the table in the gathering space before Mass begins.

Blessing of Throats

February 3 is marked as the memorial of St. Blaise, a bishop of Armenia who was martyred around 316 AD when Christianity was still outlawed. When he was arrested, he ministered to fellow prisoners and even healed them. One day a child who was choking on a fish bone was brought to him and he saved him. This famous story led to the blessing of throats on the feast of St. Blaise. Traditionally, candles from Candlemas Day were used in the blessing of throats. Two candles are crossed in the shape of an X and placed on the shoulders of those to be blessed. The Church still encourages the blessing of throats through the intercession of St. Blaise but asks that candles only be used when blessing people as individuals, not as a congregation. This blessing will be offered for the congregation at the 4 PM Mass.

Eucharistic Revival

A Minute With Jesus

We Respond with Thanksgiving after Receiving Jesus in Holy Communion. Through the power of the Holy Spirit, and the words of Jesus repeated by the priest, a miracle happens at every Mass. The substance of the bread and wine become the Body, Blood, Soul and Divinity of Jesus, even though the bread and wine still look the same. When we receive Jesus, we want to thank Him for this incredible Gift. Then we can speak with Him about anything that is on our heart. We also want to listen to what He might say to us in the quiet of our heart.

January 28, 2024

Let's pray this right now and every day this week: Jesus, I believe in you. Jesus, I hope in You. Jesus, I want to love You with all my heart. Jesus, I thank You for having come to dwell in me as I receive You in Holy Communion. I welcome You into my heart and I ask you to "crowd out" whatever might be there that is not of You. And I desire to give You full reign as my Lord, my Savior and my King. Thank You for giving Your life for me on the Cross, loving me this much and allowing me to receive You into my heart in this present moment. And now that You are so close to me, please help me love You more and more, and serve You by loving the people around me. Amen. Visit diolc.org/deeper for a downloadable Prayer Card with this prayer.

This week, read Psalm 107:1. "Oh give thanks to the Lord, for He is good, for His steadfast love endures forever!"

Who is 15-year-old Blessed Carlo Acutis who planned and developed the International “Eucharistic Miracles” Exhibit?

Carlo Acutis was an Italian teenager like most of the youth of our day. He was known as a computer whiz, who liked to play soccer, video games, and the saxophone. He enjoyed spending time with his many friends. Carlo was cheerful, outgoing and fun-loving.

What set Carlo apart was that he loved God and made Jesus and Mary the center of his life. Beginning at an early age, he developed a deep devotion to the Eucharist and attended Mass every day, being realistic about the times in which he lived and realizing he needed this grace to overcome temptations, sin and the various struggles of life. He also loved to frequent Eucharistic adoration. Carlo called the Holy Eucharist his “highway to Heaven.” This teen believed that if Catholics recognized the Eucharistic Presence of Jesus, their lives would be transformed.

Carlo was committed to teaching the Faith at the parish and serving in soup kitchens. He also went around the city giving money to homeless people. “This was Carlo’s secret: He had a constant, intimate friendship with Jesus. He wanted everyone he encountered to have this kind of relationship [with Christ] like he did.” (by Carlo’s mother)

Carlo became interested and adept at computer programming and video making. With these interests and fascination with the potential for the profound good that social media could bring, he began creating a website of all of the Eucharistic Miracles of the world. Carlo and his family traveled to many of these Eucharistic Miracle sites and photographed them to develop a virtual exhibit that would display these incredible “gifts” from God in order to help strengthen the faith of people.

As a teenager Carlo was diagnosed suddenly with leukemia and died in 2006 at the age of 15. Carlo has already passed two of three required steps for canonization - the path to sainthood: 1) “Venerable” recognizes a person has lived a heroically virtuous life. 2) They are recognized as “Blessed” when a miracle has been attributed to their intercession. 3) “Canonization” requires a second miracle after being declared blessed. The second and third steps each require a miracle through the intercession of this person and are seen as God’s confirmation that this person is indeed in Heaven with Him.

Questions for reflection: “The principal fruit of receiving the Eucharist in Holy Communion is an intimate union with Christ Jesus.” “The Catholic Church has always offered and still offers adoration to the Sacrament of the Eucharist, not only during Mass, but also outside of it,... for the solemn veneration of the faithful...” (Catechism, paragraphs 1391, 1378)

1. In what way does the life of Blessed Carlo Acutis inspire you?
2. “To always be close to Jesus, that’s my life-plan.” (Quote of Blessed Carlo Acutis) What is a phrase that captures your life plan that you might say to yourself often?
3. How realistically can you add the practice of Eucharistic Adoration to your life, in a simple way?

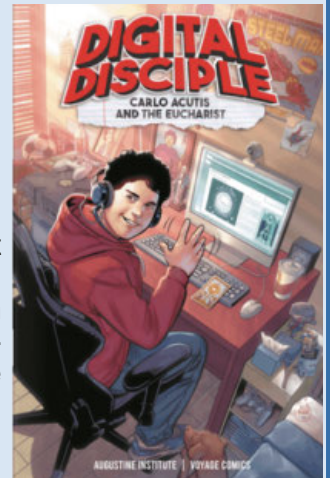

Ideas:

1. Plan a Eucharistic Miracles Exhibit, which presents a selection of the main Miracles of the Eucharist approved by the Catholic Church. The Exhibit was planned and developed by Blessed Carlo Acutis.

Ann Lankford, Director of the Office for Catechesis & Evangelization,
Diocese of La Crosse
