OUR MISSION

Mary, Mother of the Church parishioners are called to be the People of God, formed by the Holy Word and nourished by the Holy Eucharist. We joyfully share our faith and gifts of time, talent, and treasure. We are committed to serve all God's people in the building of the Kingdom.

The Ascension of the Lord

Roses for Life

After all Masses on Mother's Day weekend the Men's Club will have roses available for a suggested donation of \$2 per rose in support of pro-life causes. What a great way to find that last minute gift for mom or that special someone in your life while supporting life! Look for the roses at the main entrance on your way out of church.

Patronal Feast

On Monday, May 20, we will celebrate our patronal feast on the Solemnity of Mary, Mother of the Church with 5:30 pm Mass followed by dinner in the parish hall supplied by the parish (not a potluck). At this celebration the Man and Woman of the Year will be recognized. All are welcome!

Liturgical Ministers Needed: Patronal Feast

Many liturgical positions need to be filled for the 5:30 PM Mass on the Solemnity of Mary, Mother of the Church on Monday, May 20, including Sacristan, Greeters, and Gift Bearers. Please consider filling in if you are available. Go to www.mmoclacrosse.org and click on the Ministry Scheduler link at the top of the page, or call 788-5483, ext. 1.

Man and Woman of the Year Nominations

If there is a man or woman that you would like to see acknowledged for their contribution to the parish, please send nominations to the parish office by May 13 to be recognized on the Patronal Feast Day of Mary, Mother of the Church on Monday, May 20 after the 5:30 PM Mass. Please include a brief description of the positive efforts the nominee has made on behalf of MMOC.

Holy Communion: Precious Blood

The Blood of Christ is being offered from Communion cups beginning today, the Solemnity of the Ascension. Those who wish to fulfil His invitation "to eat and drink" will be able to do so. As a reminder, whenever we receive the Sacred Host, we are receiving His Body, Blood, Soul and Divinity; but it is good to make available the opportunity to fulfill His invitation "to drink." With new Ministers of Holy Communion recently being trained and commissioned, we will offer both kinds throughout the summer months and perhaps beyond.

Silver Circle

Jesse Mayton Farewell

Dear MMOC Parishioners, I can't thank you enough for the generous hospitality you all showed me during my (mostly) monthly visits. I appreciate all the support during this year of discernment which allowed me to grow so much in my faith. In my discernment, I feel that the Holy Spirit is calling me to the married life, so I will not be going to college seminary next year. This year of discernment has been so impactful for every man in it and has prepared all of us, no matter where the Holy Spirit leads us, to serve better in the vocation we're called to. Thank you again, and remember, that the prayers in my journey are always very appreciated, and I will always be praying for all of you parishioners. God bless!

Jesse has been a blessing to us. May the Holy Spirit continue to guide Jesse through his journey in life.

Are you seeking deeper, faith-filled friendships? Come be part of our local Blessed is She group by joining us for our second Blessed Brunch! This is for all women, regardless of age or life stage! Steubenville High School Youth Conference: July 26-28, 2024

So many young men and women lack a sense of identity and purpose. Steubenville is a weekend Catholic conference that evangelizes, equips, and empowers high school youth to become radical, joyful disciples of Jesus. They will enjoy keynote speakers, praise and worship, Eucharistic Adoration, Reconciliation, and

much more. Please consider registering your current 8th-12th grade teens for Steubenville. We'll be attending the St. Paul conference July 26-28. Contact Samuel Obert sobert@mmocoacrose.org.

“the ANSWER”

This is a day long Eucharistic Rally on Friday, June 7 at the La Crosse Center – and it will be HISTORIC! There will be dynamic, inspiring speakers like Chris Stefanick, Immaculée Ilibagiza and Josh Rosa, outstanding live music, and Mass celebrated by our newly appointed Bishop Gerard Battersby, with Bishop Robert Barron preaching the homily. This will surely be *the biggest Catholic event to ever hit the Diocese!* You can read all about it at diolc.org/the-answer where you will find the day's schedule, information on the speakers, maps and directions, and everything you need to know to register individually or as a group.

Answers respond to questions, and “the ANSWER” responds to the deepest question of our hearts: “Where can I find fulfillment and peace?” Ultimately, only in one place, only in one *Person* – Jesus Christ. Jesus comes to us, gives His Body and Blood to us, in the Eucharist. That's the whole point of “the ANSWER” Rally, and the National Eucharistic Pilgrimage that will be carrying Jesus in the Eucharist through the streets of cities all across the U.S. and into the La Crosse Center arena!

Wherever you may be in your own relationship with Jesus, the ANSWER will speak to your heart. Count on it! Join us on June 7! Bring family, friends and fellow parishioners. Don't miss this beautiful opportunity – it would be so good to see you there!

PCCW

PCCW Meeting

Mosaic of Mary, Mother of the Church

At its very basics, mosaic art is the creation of patterns or pictures using small pieces of materials such as clay, marble, glass, tiles, or stones. These small pieces, called tesserae, are hand-cut by the artist using a mosaic hammer and hardie or tile nippers. The art of creating mosaics requires the artist to first sketch the basic design on the surface and choose the color patterns. Then, after applying a cement-like substance to adhere the tesserae into place, they arrange the tesserae to create their masterpiece.

The creation of mosaics dates back at least 4,000 years! The earliest mosaics found in Mesopotamia (present-day Iraq) were dated to the 3rd millennium BC. This mosaic, in particular, was made from stone, sea-shells, and ivory. Early mosaics were difficult and time-consuming to create; thus, they were status symbols. They were often found in the king's palace and at the entries to the royal cities.

The earliest signs of Christian mosaic art, 320-330 AD, were intermixed into Roman mosaics depicting their gods. Until Christianity was made legal by Emperor Constantine, artists created these Roman mosaics and hid scenes from the Old and New Testaments within. During the Middle Ages (500-1500 AD), mosaics continued to be a popular art form used to adorn mausoleums, churches, and other important buildings. During these years, this artistry began to increase in intricacy, and the people depicted became more realistic in their appearance. Although mosaics lost their popularity during the Renaissance Period, St. Peter's Basilica honored this artistic tradition by choosing mosaics for its decor. Today, we can find mosaics in subways, restrooms, restaurants, and parks. They can cover walls, floors, ceilings, benches, or tables. Wherever mosaics are, this ancient and elegant art form brings beauty and uniqueness.

Artists at Inspired Artisans in Milwaukee designed our mosaic, the sketch, and the full-size cartoon on paper. It's one-of-a-kind. The chosen tesserae was Venetian glass. Venetian glass is formed by combining three layers of glass, resulting in a deep, dimensional surface texture that uniquely captures light. A layer of hand-blown glass ensures that no two pieces are identical, and the original color will be the same for millennia. It was hand-blown in Venice. The three panels are made of at least 60,000 tesserae, with an average surface of

3/8 of an inch square. Due to the intricacies involved with this mosaic, such as the eyes, fingers, and lips of Mary and Jesus, Inspired Artisans commissioned an expert artisan close to Carrara, Italy.

Schooled in Ravenna, one of the few places in the world with this level of skill. The Venetian glass was applied to honeycomb aluminum panels, except for a few strategic places, so the panels can be screwed into the stone wall of our church before being covered by the remaining glass. The mosaic arrived safely in Milwaukee a few months ago and Fr. Konopa has seen it with his eyes and taken these pictures to share. The artists at Inspired Artisans have created the frame and are preparing the panels for their installation onto our stone wall on Tuesday, May 14.

If you are interested in the creation process of mosaics, you can find videos on YouTube!
