The First Sunday in Lent

Lenten Regulations

The season of Lent began on Ash Wednesday, March 5. Lenten regulations are as follows:

1. Catholics who have celebrated their 14th birthday are to abstain from meat on Ash Wednesday, all Fridays in Lent, and Good Friday.

2. In addition to abstaining from meat, Catholics who have celebrated their 18th birthday, until they celebrate their 59th birthday, are to fast on Ash Wednesday and Good Friday. Those who are bound to this regulation may eat only one full meal. Two smaller meals are permitted if necessary to maintain strength according to one's needs, but eating solid foods between meals is not permitted.

Lenten Collections

The Lenten Collection this year will support Alliance Family Services, a state-of-the-art pregnancy resource center in La Crosse. Alliance is an interfaith organization that supports women and families facing unplanned pregnancies with medical, practical, emotional and spiritual support.

Stations of the Cross

Devotions will be held at 4:00 PM every Friday during Lent through April 11. Eucharistic Exposition and individual confessions will take place from 3:00 - 3:50 PM prior to Stations of the Cross.

Spiritual Renewal Days

Canticle of Creatures: St. Francis Still Sings 800 Years Later

Spiritual Renewal Days will be held beginning at 6:00 PM on the evenings of March 31 through April 2. Stay tuned for more information.

Penance Service

Join us on Wednesday, March 26 at 6:00 PM for our MMOC Penance Service. Individual confessions will be available.

MMOC Fish Fry

Fish Fry Fridays will be on March 14 and March 28 from 4:30 to 7:00 PM. dine-in or carry-out. Choose from baked or fried cod served with coleslaw, baked potato or fries, and a roll.

A two piece dinner is \$13 and three piece dinner is \$16. Kids Menu is grilled cheese, fries and fruit for \$5. Beer, wine and dessert will be available at dine-in for an additional cost. There are sign-up sheets for volunteers for this event in the Gathering Space.

Church Cleaning on April 5

We are looking for 25 volunteers and one hour of your time to clean the church on Saturday, April 5 at 8 AM. This is a good way for students to earn service hours and for parish members to work together to help keep our church clean while getting to know one another! The parish will supply the rags and cleaning solution (an all-natural product). Volunteers are encouraged to bring a 1-gallon bucket. A sign-up sheet is on the bulletin board at the main entrance of the church.

Silver Jubilee of our Parish

Mary, Mother of the Church was official established on April 9, 2000. We will celebrate this milestone on the weekend of April 5-6. On Saturday, the mosaic of Divine Mercy will be blessed at the 4:00 PM Mass. A celebratory dinner will be served after the Mass. The dinner is free and no reservations are required. On Sunday, free donuts and a continental breakfast will be served by members of Music Ministry in the parish hall after the 8:00 AM and 10:00 AM Masses. Let's celebrate the good things that have happened during the past 25 years as Mary, Mother of the Church looks forward to our future as we focus on His Life and His Mission.

Funeral Luncheon Volunteers

It's time for Arian Arens and Sue Hansen to turn in their aprons and pass the torch to new funeral lunch directors. Arian wants to retire from her duties, but will continue to work funeral lunches. Sue is moving to the Marshfield area. Ideally, there would be two people for each position so the duties can be shared. You will also get training to help you feel very comfortable in the transition. Please consider stepping up for a great cause in our parish. Men are also welcome. It would be wonderful to have replacements by April. For more information contact Arian 608-317-3387 or Sue 608-792-4910.

House Fire

On February 20, former St. Pius X school teacher Lorraine Check and her husband Roger Richter had a house fire in Bloomington, WI and lost their home. They are blessed to have good insurance, but words of encouragement can be a gift at this time of need: P.O. Box 127; Bloomington, WI 53804.

MMOC ALPHA - Come and See

Jesus' first words in his public ministry were "Come and See". We invite you to bring your friends, family, co-workers or anyone else who wants to explore the meaning of life and the basics of the Christian faith in a friendly, open and informal environment.

ALPHA is a series of interactive sessions that will take place on Mondays from March 17 - June 2 from 6:00-8:00 pm. Dinner is provided each night! There are 11 sessions in the Parish Hall and an in house retreat weekend away May 9 - 10.

To sign up please email alpha@mmoclacrosse.org

Alpha Testimony

Last fall, my wife and I participated in the Alpha program in order to spend some additional time together outside of TV time. Something more meaningful we could talk about after the kids have moved out, and we looked for ways to get to know each other again.

We weren't looking to be evangelists and frankly didn't want to be. We didn't need to find Jesus, we've known him our whole lives -- both Catholic school grads and all. We've read enough of the bible throughout those years, that there was no way we haven't gone through it at least twice, right? Personally, I have family and friends that are no longer practicing Catholics or even hate the Catholic Church, for one reason or another. I wanted to be able to talk to them about it. Maybe this Alpha class

would help?

What we found was a lot of what we all know, but it was in an easy form that was more helpful than the years of religious education as an adolescent!

We didn't need to find Christ, but got to welcome a new outlook on the Holy Spirit.

We've always loved our MMOC parish and the group of folks that make it our church. That was only reinforced with a great small group of 6 people we really didn't know well, along with a great group leader that we got to know so much better. We had open conversations together and simply enjoyed their presence.

In summary, I believe this class can help in many more ways than these few things I've mentioned, for almost anyone, including someone like me, with the German/Irish "I got this" upbringing! We can talk about things and we won't die or feel weird. And then maybe it won't be so hard to talk about more things.

Family Life

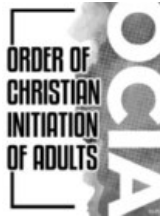

Welcomed to the Waters of Baptism

Congratulations to Hannah Lucia Holger who was baptized on March 2, 2025. We welcome her to God's family with great joy!

Faith Formation

OCIA

In order to highlight the Church's concern for our candidates (those who are baptized and preparing for reception into the full communion of the Catholic Church through the Sacraments of Confirmation and Eucharist), we will be sending them to Bishop Battersby on the First Sunday of Lent. It is within the parish community, however, that the preliminary judgement is made concerning the candidates' state of formation and progress. This affirmation of our parish community happens at the Rite of Sending on Mar. 9 at the 10am Mass. The Rite of Sending offers our parish community the opportunity to express its approval of the candidates as well as send them to the Call to Continuing Conversion at the Cathedral assured of the parish's care and support. Please pray for them as they take this next step in their journey with Jesus!

Family Faith Formation meets this Wednesday, March 12 from 5:30 PM - 6:45 PM. We begin our next monthly topic: The Sacrament of Reconciliation - perfect for this time of Lent.

Mass of Reparation

On March 27 at 10 AM at St. Joseph the Workman Cathedral, Bishop Battersby will conduct a Mass of Reparation. Every clergy, religious and lay person is invited and encouraged to attend.

What is a "Reparation Mass"? "It is when we humbly and truthfully acknowledge our sins and surrender ourselves with confidence into the loving and merciful arms of our heavenly Father. In the words of Pope Francis, we offer the heart of Christ a new possibility of spreading in this world the flames of his ardent and gracious love. We give him permission to remove all the barriers we have created and unleash his unconquerable Love upon ourselves and upon the world. That is reparation.

From start to finish reparation is a divine work, wrought by Jesus in his Passion and Resurrection. We, the members of his Body, get to participate in it."

A Minute with Jesus

As you take "steps forward," your faith in Jesus' true presence in the Eucharist will grow. We cannot simply convince ourselves through reason that Jesus is truly present in the Eucharist. One of the best ways to grow in this faith is to spend some time in conversation with Jesus, truly present in a Catholic Church. Go there and share something with the Lord that is on your heart. You will notice that probably without saying or feeling anything special, you will leave with a quieted heart. Let's pray this right now and every day this week: Jesus, help me commit to spending some time in conversation with you in Church.

Divine Mercy Mosaic

Preparation of the niche for the mosaic of Divine Mercy began on March 4, and the poly sheeting was installed to control the amount of dust created in the Church. The niche renovation will include some of the wall sconces that hold the red vigil candles to be removed and distributed evenly between the Divine Mercy and Mary, Mother of the Church mosaics. This will help balance the appearance of the two niches and offer the ability to light votive candles near the mosaics. Additionally, Chaseburg Manufacturing is creating wall sconces in each niche to provide lighting sticks. The updates to the niches will also include new lighting to improve the viewing of the mosaics.

In determining how best to represent the image of Divine Mercy, the Skemp painting and the mosaic of Mary, Mother of the Church was the inspiration. The new mosaic will mirror elements from the current mosaic, such as the wood framing and blue background. The rays coming from the heart of Jesus will mirror the rays from the Holy Spirit, and the medallions depicting the Corporal and Spiritual Works of Mercy will mirror the tongues of fire. The mosaic of Mary, Mother of the Church, used various elements of the Church's art and architecture in its design; therefore, the Divine Mercy mosaic will reflect those same elements.

The May 5, 2024, bulletin article explained the process for choosing mosaic as the art form to represent Mary, Mother of the Church. The article is reprinted below as a refresher on the benefits of a mosaic.

A framed painting or a painted mural would introduce a new form of art. While a wood-carved statue (not a statue of plaster, stone, or plastic resin) would complement the current statues in the church, there's a definite style to our statues, which

would constrict the possibilities. A mosaic quickly rose to the top of the list. In terms of practicality, a mosaic is durable, customizable, and timeless. However, the decision was also influenced by the current design elements in the Church.

Mosaic art is quite durable and functional; in fact it is considered the most long-lasting form of art in the world. Today, you will find mosaics used in several ways. They can be installed on the walls, floors, and ceilings of bathrooms and kitchens. High-traffic areas such as subways, swimming pools, and businesses are common locations. Mosaics are both decorative and functional and can be used to enhance both indoor and outdoor spaces. When installed properly, a mosaic can withstand exposure to sunlight, moisture, and temperature fluctuations – this is not the case with painted murals.

Mosaic artists utilize various materials, such as clay, marble, glass, tiles, or stone, to create their intricate masterpieces. The wide assortment of materials allows artists and designers to customize patterns, colors, and textures. Each mosaic is, therefore, unique and beautifully created to fit its surroundings or serve its purpose.

Finally, mosaic art is timeless. It is an art form with roots extending back to ancient cultures – over 4,000 years! – that is still appreciated, practiced, and chosen in today's modern building and decor designs. Due to its long-lasting design, mosaic art has allowed us a glimpse

into past civilizations. These discovered mosaics teach us about their religion, daily routines, and their attitude toward flora and fauna. Byzantine mosaics are a well-established and inspiring form of artwork in the Catholic Church.

Next week's article will highlight what a mosaic is, how our mosaic was made, and how it will be mounted.

As the preparation work continues and our anticipation grows, we ask Jesus to have mercy on us and on the whole world.
